Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Redheaded Kasey Cole masturbates so she can focus on her homework. She pulls off her shorts and sticks her petite ass in the air, giving you a clear view of her butthole and pussy as she diddles her way to a cum. By the end, her twat and fingers are glistening with slick girl goo.

Olivia Lovely needs some sex advice, and who better to turn to than a hot, experienced MILF? Sexy cougar Diandra shows Olivia exactly how to rub, suck and fuck cock. A juicy, little teen like her is a treat for this horny couple, too.

Alex Blake has a body to admire. And that's just what she does as she undresses in front of a three-way mirror. She presses her perky butt against the glass and massages her tits. Her pussy needs attention too, so she spreads her legs, revealing a perfect pink slit. Alex traces her fingers up and down her twat, tickling her lips and clit before sticking a finger deep inside.

Tracey Sweet wants the doctor to take her temperature in her butt. He

obliges her and sees that she's burning up. He has just the medicine for her: his cock in her hairy pussy and his load on her tongue.

Haley Reed has fun playing with a glass dildo. She gets so turned on by it that she even squirts a bit when she first puts it in!

Foxy Di and her music instructor are making beautiful music together, but it's not coming from the piano. No, those magical sounds are coming from Foxy's mouth as she moans while his big cock gives her exactly what she needs. Her hairless pussy and asshole are pristine. You'll enjoy this lesson as much as Foxy did.

Lexi Lore has some sexy hardware. That includes the braces in her mouth and the piercings in her nipples. Yeah, she's a bad girl. That's why she's stripping naked and sticking her fingers deep in her pussy until she cums hard. A guy teases Jessae Rosae for being a nerd, so she has to prove him wrong. And how does she do that? By sucking and fucking him like a total slut. Jessae may be skinny, but she's hungry when it comes to cock. She swallows the guy's meat like she's been cockstarved. Then she lays back, spreads her legs and lets him drill her deep. Brooke Haze enjoys the hot Miami sun in a string bikini and short-shorts. She also enjoys it by getting naked and stroking her fuzzy pussy.

Kylie Rocket finds a guy spying on her in the closet. It doesn't make her mad; it makes her horny. So the two pervs fuck each other.

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS

Stretchy, Sexy Nicole

Dear Virgin Territory,

I have in my possession a copy of Vol. 27 No. 3 of 18eighteen magazine, and I think we need to talk about Nicole. Don't get me wrong, all the girls in this issue are hot as ever, particularly Juniper on page 18 with her teen flatties and that band in her hair. What a gorgeous babe!

However, you have excelled yourselves with mind-blowingly bendy teen gymnast Nicole on page 78. My god, I'm in lust with Nicole's pert teen ass. Her soft, perfect cheeks in

splits in various pictures had my dick doing backflips. The pic of her naked in just white socks with her ankles behind her ears and her cute tits and tight-looking shaved pussy right in my face had me reaching for my solid erection in a heartbeat. The pic of her bending over with her ass cheeks in the air showcased how pert and round her teen gymnast ass really is. It's nice to hear her say she already enjoys taking a cock up her ass regularly; she's certainly a fast learner!

I don't mind admitting when I first

flipped to page 78 and there was just a pic of her, fully clothed, in her pink gymnastics outfit of a tight training bra and small, tight pink gym shorts doing the splits from behind, I shot my first load right then and there over her picture.

Sometimes, once in a while, a girl comes along that really does fit the mold of an *18eighteen* magazine superstar, and Nicole is definitely in that league!

I'd very much like to see her back in the magazine again, perhaps next time taking on a big cock! Keep up the good work.–K., Essex, United Kingdom

From the Web: Jackin' to Juniper

Dear Virgin Territory,

Wow, am I glad I took the time to watch Juniper's solo video. She is a gorgeous, petite young woman. While I loved her cute sunflower skirt, I was glad to see it come offher tanktop and panties as well. Her video contained one of my favorite things about watching teenies get off: seeing them finger their tight slits from behind. I love that angle because I get to look at their puckering assholes. Juniper's looks so fuckable. My dirty old man's cock got very stiff just thinking about fucking her in her tight cunny and asshole. I came all over my screen just imagining I was thrusting into her tight holes from behind.-Member Filthy Phillip, via 18eighteen.com

Hilary Spices Things Up

Dear Virgin Territory,

Your cover from the Vol. 27 No. 3 issue isn't what we're used to seeing in *18eighteen*, but I'm not mad about

it. First, there was the black background. Interesting choice. I prefer the brighter colors, but I don't mind this kind of change of pace every now and then. It's a bold

design choice that definitely catches your eye. Then there was the main covergirl, Hilary. She is very beautiful, but her lingerie is definitely not the standard teen girl outfit. She still looked sexy as hell in it though. To be honest, that's the kind of thing I would love to see my girlfriend wear.

Now that doesn't mean you should start putting all your models in mature lingerie, but a little variety here and there helps to keep things fun and exciting.

After seeing the cover, I imme-

diately flipped to Hilary's pictorial because I wanted to see more of her in that lingerie, and I enjoyed what I saw. Her round ass greeted me on the first page of her layout and instantly stiffened my penis. We were treated to several photos of her in that getup, which is nice instead of seeing the girl get immediately naked. More of Hilary's ass and pussy followed, and what a pretty, soft, delicious-looking pussy it is. I stroked my cock while admiring her curves and her genitals, imagining what it would be like to feel her pussy wrapped around my throbbing member. I shot a huge load, but I was careful to not get any jizz on the magazine. I know some guys like that, but the magazines are too valuable to me to deface.

Anyway, Hilary was lovely and I hope I get to see more of her in your magazine soon.—F.G., via email

Lose Control with Vixi

Dear Virgin Territory,

I pride myself on having good lasting power and being able to control my orgasm, but I don't know if that's the case with Vixi. When I first landed on her photos in the Vol. 27 No. 3 issue, I immediately felt a rush of excitement. By the time I got to the third page in her layout and saw her sexy slit for the first time, I was already unusually close to cumming. It's almost as if she could make me cum

in my pants just with her smoldering gaze. When I saw her finger buried in her slit on page 41, I was ready to burst, but I held out because I wanted to get to the end of her layout. What a massive load I shot when I got to the final picture of her with a dildo in her pussy. Here's to Vixi helping me feel like a premature ejaculating young man again.—O.W., Topeka, Kansas

Latin Lust

Dear Virgin Territory,

I love a sexy Latina like Jenn from the Vol. 27 No. 3 issue. Her tight, petite body, perky tits, caramel skin and tight pussy all drove me wild. She looks like such a good, little slut as she sucks that cock and takes it in her cunt. It looked like the guy's

cock barely fit in her tight pussy. No wonder he filled her with cum. I would too. I would do a lot of things with her, like suck on those chocolate nips, fuck her every which way until she came multiple times and slide my cock into that tight asshole. Ah, a fella can dream, can't he?

Cocks for Socks

Dear Virgin Territory,

I was reading the letters section of 18eighteen Vol. 25 No. 5, and I get what J.C. from Tampa, Florida, means about feet and socks and trainers. I

love them too. I have never had a foot job, but I would love to try it. Not with trainers though. Ali's socks look amazing and would feel very soft and thick, which would still feel nice on my dick. I really like Alice's socks from the Oct. '13 issue as they are longer and softer and not as thick as Ali's. I also like Dolly's socks from Oct. '15. They are small and those frillies would drive me insane. She would get covered in cum and so would those sheer panties that she wears in that set. I would put her like how she is in the bottom picture of page 54 and wank off over her and cum all over panties, as I love sheer panties. As for Leg Sex magazine, I only had a few issues

and still have somewhere. Damn, I miss *Leg Sex* magazine. It was something else. So please don't stop the socks—big and little ones—or the sheer panties in *18eighteen.*—J.M., Falkirk. Scotland

FOUR TIGHT & TINY XXX TEENS

Just because they're petite doesn't mean they can't handle big cocks!

Della is legal and acting on all her horny urges.

Della is a naughty girl. Now that she's turned 18, she thinks she can fuck whomever she wants, and that includes her teacher after class. You can see her doing that at 18eighteen.com. The fact that he's old enough to be her father doesn't bother her at all. In fact, that makes it even better. Della says school is "fun," and now we know why.

3CNEIL

Sex news, teen tidbits, behind-the-scenes fun and more selected just for you

KEEP FUCKING to Maintain Your Inches

Hold onto your hats, folks, because Gen Z is rewriting the rulebook on sex—by barely reading it! Studies reveal that young adults today are having less sex than any generation before them. In fact, a 2021 survey found that 38% of 18- to 30-year-olds hadn't had a single sexual partner in the past year.

But what's the big deal, you ask? Well, according to Dr. Tara Suwinyattichaiporn, a sex and relationship ex-

pert (and clearly someone who knows her stuff), going without sex or even masturbation for extended periods can lead to some rather uncomfortable outcomes. We're talking about penile and vaginal atrophy, where your bits and pieces might shrink by one to two centimeters. And while we love a tiny pussy, atrophy is not a good thing.

And it's not just about the physical shrinkage. Lack of sexual activity can also lead to increased stress, anxiety, depression and anger.

But fear not, there's hope! Experts suggest that open communication

Masturbation: The New Stress Ball?

Forget bubble baths and deep breathing—Swiss women have found the ultimate stress-relief technique: masturbation! New research out of Switzerland reveals that women are turning to solo sessions as a way to chill out and unwind. The study, which surveyed 370 women aged 18 to 56, found that the average woman indulges about nine times a monthroughly twice a week. But here's the kicker: the more stressed out they were, the more often they reached for their, well, stress relievers.

Researchers found that for many women, masturbation is basically their go-to coping mechanism to unwind, like cracking open a cold

one—just with a little more personal satisfaction. That must explain why our models are so relaxed: Their orgasms are practically a given once they get in front of our cameras. But we don't need to tell you that masturbating is relaxing. Men have known that for many millennia, and our readers are experts at de-stressing with our lovely models.

about intimacy needs and seeking professional guidance can help break the dry spell and bring back the boom in Gen Z's bedroom. And if that doesn't work, perhaps reading an issue of 18eighteen will bring the spark back to their loins.

Jack Your Way to Better Health

Speaking of the benefits of masturbation (see the previous write-up), we have good news, fellas! A new study says the more often you take matters into your own hands, the lower your risk of prostate cancer. Researchers from Harvard University found

that men who

ejaculate at least

21 times a month (yep, that's roughly once a day) can lower their chances of developing prostate cancer by a third. Apparently, frequent ejaculation might help clear out carcinogens, reduce inflammation, and even help with sleep and stress. Everyone knows it feels good, but who knew jacking could be this good for you?

The study, which tracked nearly 32,000 men over 18 years, revealed that the higher your "ejaculation frequency," the lower your risk-especially for the less aggressive, low-risk prostate cancers. So, if you've been looking for a reason to up your solo game, this might be it. Researchers haven't fully cracked the mystery of how exactly it works, though many suspect it has something to do with keeping things flushed out and your body in balance.

While there's still a little debate among scientists about the exact

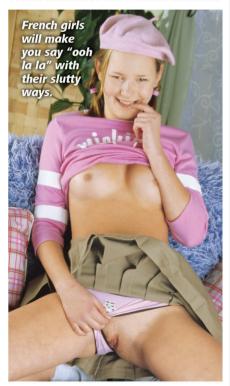

link, one thing's clear: getting busy in the bedroom—or wherever you prefer—could be doing your health a solid. So, gentlemen, it's time to take your prostate's health into your own hands. Literally.

Book Your Flight to France ASAP

While Gen Z across the West might be too busy scrolling or binge-watching to get busy, the French are proving that when it comes to fucking, they're ahead of the game. A new survey from France's National Institute for Demographic Studies found that young French women are stepping up their sexual adventures way up. In fact, 29% of women aged 25-29 have had sex with 10 or more partners, compared to just 8% in 2006. Looks like the French aren't just good at making wine; they're also making new sexual norms.

Even more intriguing, 19% of French Gen Z women aren't strictly heterosexual; some are identifying as bisexual, pansexual or even asexual. While the rest of the world's Gen Zers

might be in a sexual lull, France's Gen Z women are leading the charge with diversity, experimentation, and the occasional baguette. Vive la différence!

Older Sister OF THE MONTH

18eighteen readers love their teens, but they can't deny the appeal of a sexy older sister. This feature is dedicated to a Naughty Neighbors model who's in her late teens or early 20s. She may have missed the cut-off line to be in 18eighteen, but she's still young, fresh and jackable. In this issue, we're celebrating Addee Kate, a cutie from Michigan who is a good girl gone bad. She's tight and petite, just the way we like 'em. You can see a sweetness in her smile, but the way she spread her pussy in Newcummers Spring 2019 was pure naughtiness.

Age Is Just a Number

I'm 19, and last night I had sex with a man who is more than twice my age. I was out dancing with friends at a club when a stranger approached me. He was hot but I could tell he was older. But he didn't seem that old. I thought maybe he was in his late 30s. He revealed he was 47, to which I responded that my dad is 45, making the situation feel a bit strange. He didn't seem to mind the age gap. We chatted and danced and had a good time. I could feel the chemistry growing between us.

A few hours later, we ended up at his friend's place for an afterparty with our combined friend groups and some other people I didn't know. The more time I spent with him, the more horny I got. I was surprised by how wet my pussy was getting because I had never really been into an older guy before, but there was something exciting about his age. I was getting really turned on by how much older he was.

Eventually, I let go of my hesitations about the age difference and led him to a bedroom. He started kissing my neck and lightly teasing my pussy with his fingers. I unzipped

his pants and reached inside to feel how hard he was, and OMG, he had a huge cock! Not only that, but his dick was dripping. I loved that because it meant he was as horny as I was.

I started stroking his cock and used

his precum as lube. He was so hard, I could basically feel him throbbing in my hand. I was dying to feel his big cock in my mouth, so I wrapped my lips around his head and swallowed him as deep as I could. He definitely Continued on page 60

had the biggest dick I'd ever been with. I consider myself pretty good at giving head, but it was a challenge fitting all of his meat in my mouth and down my throat. But I'm not one to easily give up. I managed to swallow him down to the balls, and he seemed genuinely impressed with my skills.

By this point we were both dying to fuck. He pushed me back on the bed and then started kissing down my stomach, making his way to my pussy. His years of experience really showed as he licked my pussy and sucked my clit. I feel bad for whoever's bed we

were on because I left a huge wet spot just from him eating me out.

He made me cum twice with just his tongue, but I was insatiable. I pulled his head up to mine and said, "Fuck me already." He slowly inched his cock inside of me, making me squirm and beg for more, until he was balls deep inside of me. When I kissed him, I could taste my pussy juices on his lips and it was so hot. Then he started thrusting in and out of my slit, and I could feel how tight my pussy was gripping his cock.

I have no idea how long we fucked for. I was completely lost in ecstasy

as this older man made me cum two more times with his cock. No guy my age ever even came close to fucking me like that and making me cum multiple times in one night. Now I know what the big deal about silver foxes is. When he came, he pulled out and sprayed the biggest load I'd ever seen all over my tits. It sprayed so much that some of it even got on my face. I got his number and we're going to meet up again. Next time, I want to feel his old cock throbbing inside my pussy as he fills me with cum.

Swinging into Adventure

I'm lucky enough to have an amazing marriage where my wife and I enjoy the fun and freedom of swinging. We're in our late 40s and the crowd at swinger clubs and parties is usually around our age or older, so we'd never played with anyone much younger. It was something I always wanted to experience, and recently, I got the opportunity to do so.

We have an 18-year-old babysitter who is drop-dead gorgeous, and she's always been very friendly with us. There were times I could swear she was flirting with us, so I decided to push the boundaries a little bit. I started asking her to hang out a bit longer with my wife and I when we got home, and she was happy to do so. One chilly night we were all sitting around and enjoying hot chocolate, and it was very obvious the babysitter wasn't wearing a bra, as her erect nipples were protruding from her shirt.

CHERRY PICKED

continued from page 62

"Oh wow, you can tell I'm cold!" she said, looking down at her chest. I asked if she would like me to turn up the heat on the thermostat.

"Actually, I have another idea of how I can warm up," she said.

At this point, I knew what was going to happen. She asked if we could all go upstairs and get warm in the bed. Of course my wife and I were thrilled to oblige her. My cock stiffened as I followed the two of them up the stairs.

I was filled with excitement as I entered the room, knowing what was about to happen. The babysitter, looking back at me with a smirk, began to undress my wife, slowly peeling off her clothes until she stood there completely naked. The babysitter's eyes locked on mine for a moment before she turned back to my wife, kissing her gently on the lips.

As their kiss deepened, I could feel my control slipping away. I reached down and undid my pants, revealing my straining hard-on beneath. The babysitter noticed and grinned, break-

ing the kiss with my wife momentarily to turn her attention to me. She walked over to me, her eyes never leaving the bulge in my boxers. She knelt down in front of me and slowly pulled them down, releasing my throbbing cock

from its confinement.

She leaned forward and took the head of my cock into her mouth, savoring the taste of me. Her lips were soft and warm, sending shivers down my spine. I watched as my wife lay on the

bed, her fingers playing with herself, her eves locked on the show unfolding before her. The babysitter looked up at me again, our eyes meeting for a moment, before she took more of me into her mouth. I could feel her throat muscles working against my shaft as she swallowed me deeper, her head bobbing back and forth.

Meanwhile, my wife had positioned herself on the bed so that she was perfectly situated to watch this incredible scene unfold. She was rubbing her clit gently, moaning softly as she watched the babysitter service me.

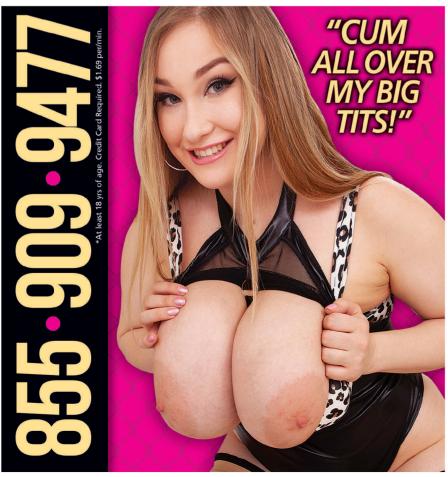

"I don't want you to finish like this," the babysitter said. She walked over to the bed and positioned herself between my wife's legs, on her knees. She began lapping at my wife's pussy, and I came up behind her and slowly slid my cock into the teenage babysitter's hot box. She was so incredibly tight and wet that it was hard to hold my composure. I began to thrust and slowly built up my power and speed until the momentum from my hips was driving the babysitter's tongue across my wife's pussy. It was an incredible moment.

"How do you want me to finish?" I

"All over both of our faces," the babysitter replied. "I don't want either of us to miss a drop."

And with that, I pulled out, seconds away from cumming as my wife and the babysitter dropped to their knees in front of me to catch my seed. They did a wonderful job of taking my load and then exchanged a cummy kiss at the end.

Since that night, we've made plans to bring her to one of the swinger parties, and we can't wait to show her off and share her with our friends.
